DEPARTMENTS ASK \$425,000 MORE IN FUNDS FOR 1950

Total Represents Full Amounts Submitted to Finance Committee For Approval.

In a statement this week from J. Howard Hayes, chairman of the Finance Committee, it was revealed that the various departments have requested \$425,000, more for the 1950 budgets than for 1949.

Through the cooperation of the departmental heads the Finance Committee has received the 1950 budget about three weeks earlier than in any previous year. The Committee expresses its "sincere appreciation."

The large increases come from the following: Public Works, \$112,000; School Department, \$102,000; Town Debt, \$43,500; Park Department, \$40,000; Welfare, \$37,000; the Library, \$14,000.

In the case of the Library \$4,000 of the \$14,000 requested is for capital outlay for the main building and the Dallin Branch. The \$6,400 is labelled to cover step-rate increases on salaries and the appointment of a full-time custodian. The Library, now employs \$40,000.

two, described as "over-worked." The establishment of the East Arlington branch on Mass. ave. which will be open longer hours than the present branch, will require a part-time custodian. \$1600 is requested for a larger book and periodical purchasing fund.

The Park Department's request for an additional \$40,000 is largely for capital outlay. Superintendent Dan McFadden said, "We are trying to fulfill the requests of townspeople for needed improvements." \$9,000 is tabbed for lights at the Reservoir field for night softball and junior class baseball. \$14,725 is felt needed to finish the grading, seeding and sports layout of Robbins playground, plus a suitable roadway to the barn. The Summer st. area will require \$5,200; the new location on Medford st., \$10,200; Thorndike and No. Union playgrounds, \$8,000 combined. The improvement and repair of existing equipment in addition to another small dump truck help raise the total to \$425,000.

Extra '49 Pay Not Yet Received By Employees

FINAL PLANS COMPLETED ON DIMS DRIVE

William Sinclair, Arlington Chairman of the March of Dimes, announced this week that almost all of the details of the 1950 drive have been solved.

"The voluntary committees have now been at work for more than two weeks and have reported to me that all is in readiness for the campaign that will begin on January 16," Mr. Sinclair said at a press conference last week.

The collection cars that will be received by every Arlington family have been inserted into addressed envelopes and are ready for mailing before the campaign gets under way. This work has been going on since early Fall by Beta Sigma Phi chapter, the social sorority for Arlington's business girls under the direction of the president, Miss Dorothy Bergstrom.

The residential committee under the direction of Mrs. Raymond McKeever and John Lar-mour will take over most of the collection activities once the drive begins and already have working plans drawn up. They report, however, that if the drive is to reach its record goal, they will need many volunteers. Vol-unteers are requested to call Mrs. McKeever at ARLINGTON 5-3360.

PROGRESS MADE IN NEW STREET ACCEPTANCE

Last Thursday night, the Joint Board held hearings on Gardner st., Renfrew st., Eustis st., Cedar ave. and Valentine rd., a total of 4720 ft., at an estimated total cost of \$99,150.

The Housing Authority presented the case for the acceptance of Gardner st. It was deemed necessary as an exit in the development. Pasquale Femia who owns 728 feet of frontage of farm land was the only abutter present. He voted against the proposal as it would be of no value to him. Considerable discussion followed to explore the possible purchase of the land by the town for a school or fire department.

Renfrew st., which involved a total estimated cost of \$27,377, was opposed by a substantial group of abutters, eight voicing opposition while sixteen approved. Eustis st. joined the ranks of the few streets which have unan- imously accepted the Board's estimates.

Cedar ave. was approved by the property owners with a single dissenting vote.

Valentine road brought out the largest number of voting prop-erty owners with record length of 1513 feet. Thirty-three voted for acceptance while four owners of empty lots opposed.

On next Tuesday, Jan. 17, the last street hearings for 1950 will be held. The streets to be heard then are Blossom, Waverly and George streets, Upland Road West, Richfield Road and Rhinecliff st.

As yet the employees of the Town have not received any additional pay this year to bring the compensation for services in 1949 up to the 1948 levels, exclu- sive of overtime.

This equalization was the gen- eral meaning and provision of the substitute motion offered by Harold E. Magnuson at the Special Town Meeting in October. Magnuson's motion carried. It was substituted for an article in the warrant calling for "ex- tra special compensation," the discussion of which had bogged down the meeting.

One Hour Per Name
The delay is caused by the tre- mendous amount of figuring re- quired to determine the differ- ence, if any, of the pay received for the two years. A spokesman for one department stated the work required about an hour per employee. This has to be done in addition to the regular work. Accordingly, at least one depart- ment is known to be working overtime every night at consid- erable cost to the town. The de- partment most burdened is the Public Works with about 150 em- ployees.

Further the expense of over- time is high in comparison with the small amounts which the in- dividual employees will receive.

Needham Rules
Until all departments have turned in their reports, no one will receive the extra money, ac- cording to a ruling made by the Town Accountant Clarence Need- ham. The sum of \$35,000 was appropriated to take care of the increase. Thus, until all depart- ments have reported, Needham's office has no way of ascertaining whether the appropriated sum is sufficient. If insufficient, more money must be appropriated. However, unofficial and off-hand guesstimates range from \$17,000 to \$25,000.

That the figuring is complica- ted can be believed when one recalls the conditions pertaining to the pay for 1948. In December 1947 it was voted at a Special Town Meeting to grant a four- dollar per week raise for the first three months of 1948. Then, in December of '48, a 5 percent in- crease for the rest of the nine months was voted. In addition, all pay for overtime work must be substituted for each year.

MTA To Hold
Fare Hearing
On Tuesday, Jan. 24, at 10 a.m. the Metropolitan Transit Author- ity will hold a public hearing at the Gardner auditorium on the proposed fare increases effective Jan. 28. It is believed that the hearing is merely a formality; that the fare raises are here, re- gardless of opposition.

Marcus Sorenson will attend, representing the Selectmen.

"ACCURATE AND IMPARTIAL?"

In the past two weeks material has been submitted to us in writing by opponents in the contest for Board of Library Trustees. Each side made several charges against the other. We published both these articles, the latter being in letter form — a joint letter.

Included in the letter were not only charges directed against its particular opponent but also this paper — finding it remiss in its "reputation for accurate and impartial reporting." Hence this editorial.

We submit — we accurately and impartially reported and published the considered opinion of the first writer with many quotation marks plus "he believes," "he feels," "he states"; likewise the letter, verbatim.

Failure to publish both or either would have, in our belief, constituted suppression. Suppression of news or opinions merely on the basis that the ideas or actions of certain people do not coincide with ours constitutes, again in our belief, a grave miscarriage of the purpose of any newspaper.

Complete suppression or deletion of words is justifiable when the submitted material is libelous or deemed against the public interests. Certainly ideas and opinions in a town election are not contrary to the public interests. A written statement that subsequently may be found to be untrue is not necessarily libelous. Libel means the malicious defamation of character or reputation. A newspaper may be found guilty of libel as well as the writer or speaker whether quotation marks or "he believes" are used or not.

We saw nothing maliciously defamatory in either material submitted.

As to deletion of harsh words which may offend the other side, here again we have a problem. If a man writes that from a political standpoint he believes his opponent is not worthy of the people's vote because he finds him to be flighty or stodgy, conservative or radical, pinchpenny or extravagant, would we not be subject to the charge that we failed to accurately and impartially report his views if we deleted these adjectives and merely wrote that Mr. Jones believes that Mr. Smith is not worthy of the people's vote? Can we be sued for deliberately altering the impact or meaning and thus misquoting or misrepresenting? As well as libel? We believe so.

We are confident we can find the answer to the legal aspect of these problems by consulting our competent lawyer who, incidentally, was a co-author of the joint letter.

We hope the reader chuckled at the last sentence. At this point that is what is needed. We all take ourselves too seriously at times. And so, here we are — lawyer, engineer, businessman, editor trying to serve the community as best as our capabilities allow as citizen-critic, candidate, office holder and newspaperman. Election Day is March 6; hurry, hurry, March 7!

75 Years Ago This Week

Tuesday evening the Town Hall was crowded to its utmost capacity to listen to the music, ancient and modern, furnished by the Arlington Choral Society.

One night last week one of our citizens was hurrying to the depot to take the last train, when on an unfrequented street, he was suddenly confronted by a rough looking fellow, who demanded the time. Instantly drawing a seven shooter from his breast pocket, the gentleman said, "It is just seven times past the hour—GIT!" The fellow departed.

"Life" is the Lesson-Sermon subject for Sunday, January 15. Golden Text: "Now that the dead are raised, even Moses shewed at the bush, when he calleth the Lord the God of Abraham, and the God of Isaac, and the God of Jacob. For he is not a God of the dead, but of the living; for all live unto him" (Luke 20:27, 38).

Sermon: Passages from the Bible (King James Version) include:

"Blessed is the man that heareth me, watching daily at my gates, waiting at the posts of my doors. For whoso findeth me findeth life, and shall obtain favour of the Lord" (Proverbs 8: 34, 35). Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"The true idea of God gives the true understanding of Life and Love, robs the grave of victory, takes away all sin and the delusion that there are other minds, and destroys mortality. The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality" (pp. 323, 487).

TO THE EDITOR

January 2, 1950

Editor
Arlington Advocate
Arlington, Mass.
Dear Sir:

The Arlington Citizens Committee announces that they will again conduct an active Town Meeting Member Campaign this year. As you will remember, last year's campaign, the first undertaken for this purpose by an organization in the town was extremely successful. The Town Meeting Member attendance in the annual and special Town Meetings jumped from a 58 percent average over a six-year period to 86 percent for the year 1949 alone. Plans are underway to increase this figure to well over 90 percent in 1950.

There are 136 vacancies at the present time ranging from five to twenty-one openings in each precinct. We urge all interested citizens to become candidates in 1950. All that is required is to be a registered voter and to obtain from and file with the Town Clerk's office a nomination paper with ten signatures. Naturally, there is no fee involved. We wish to invite everyone's attention to the fact that all appropriations are made by the Town Meeting Members and not by the various boards and department heads.

Comprehensive plans for this year's campaign will be announced within a short time.

Yours very truly,

Donald F. Bresnan
Chairman
Legislative Committee

That Man About Town

By MAT

The Special Town Meeting held in December voted that no town employee would receive less money in 1949 than in 1948. As yet the money hasn't been paid. We hear that a technically has arisen in which the Town Accountant cannot authorize payments until the technicality is cleared up.

Underneath the calm of the political scene in Arlington, we see a seething political situation which is about to erupt. Arlington has, in the past two or three years, become more politically conscious insofar as many more individuals are involved than at any time in history. Last year's campaign was the first to point it up. Some of the whispering and rumor-mongering that was used against opponents was taken right from the books of "boss-run" cities. Decent and intelligent citizens do not listen to such tripe unless they ask the story-teller to make his statements in front of the candidate maligned. It sure is fun to watch the rumor-carrier bluster and slow down in his calumnies. Try it sometime!

We understand Frederick S. Glynn is working on an answer to the joint letter written by Keefe and Elliott and published in this paper last week.

The Republican Party has hired a public relations firm to tell it why it lost the 1948 election. The answer's simple. Not enough votes.

More signs of political activity was the meeting of the Young Democrats last week. It looks, from here, as though this Fall's representative race in Arlington is going to be a hard fought battle. Evidently the above organization believes in starting early.

We noted recently some work being done on the former Peirce & Winn property, now scheduled to be a town parking lot. This

Hello Advocate:

I have not written to you since the election last year. You have been doing all right.

As I watched the fire last Sunday afternoon, I thought of you and saw Mr. Sorenson, a very interested spectator.

I overheard him inquiring anxiously for the welfare of those who were injured and those who might be made homeless. He is a good man.

The remarkable work of the Fire Department should receive the highest commendation. In the face of an icy glare sweeping over the new parking lot, they rescued a woman and then stopped a bad fire quickly enough to keep it confined to one apartment of an old-type tinder dry wooden structure which probably had no modern fire prevention walls.

However, give the boys a big hand, they really earned it.

I'll comment on the political situation shortly.
(Glad to hear from you; must say have missed your letters — Ed.)

First Baptist To Present Famous Group

"Uncle Elmer" and his Pleasantville Choir, together with the "Pleasantville Neighbors," heard Sunday at 2:00 P.M. over WEEI, will make a return visit next Sunday night at 7 P.M. at the First Baptist Church.

This popular radio group is just a friendly gathering of some twenty young men and women who are sincere in their efforts to be of service to humanity regardless of race, creed or color. The members work at their regular daily tasks as bookkeepers, stenographers, truck drivers, painters, clerks, school teachers. They devote their spare time to bringing to an enormous following not only worthwhile entertainment but an extremely interesting and helpful program.

They have been instrumental in placing hundreds of wheelchairs, radio sets, and other articles too numerous to mention, in homes for the aged, hospitals, and similar institutions. Their benevolent work among shut-ins and needy families is far-reaching, covering all New England states.

Mother, dad and the whole family are cordially invited to see and hear this talented group when they visit our community Sunday evening.

The program is sponsored by the Men's Club.

Presidents' Group Names Jimmy Curtin

By Austin "Pop" Welch

A sense of responsibility was manifested in a recent assembly of forty-six boys at the Arlington Boys' Club.

This assembly of boys was in no sense just another good time gathering for entertainment or sport. For these forty-six boys were the democratically elected and duly authorized representatives of over 200 boys. They were the presidents and vice-presidents of twenty-three group clubs.

They enjoyed a spaghetti supper prepared by two good-hearted women, who donated their time.

They listened attentively to short talks on leadership, responsibility and unselfishness. They were told that upon them rested the responsibility of helping plan and run a January Group Club—an assembly unique in boys' work.

But a very important decision was to be made at this meeting. "A president of all the presidents" was to be elected, a boy who would head the young executive group.

A tall, quiet boy, James Curtin, the Rams Club president, was elected to this high office. The president of the presidents then named an executive committee of group club presidents including Warren McAdoo, Luke O'Halloran, Bill Drinan, Dave Shaybe and Charles Pigott, who then met at a luncheon to lay plans for a Group Club assembly.

Presidents and vice presidents of group clubs are Ted Ridge, Frank Millerick, Henry Bulen, Charles Mouradian, Jack Self-ton, Larry Gray, James Curtin, John Reilly, Ronald Valley, Tom Field, Dave Shaybe, Don Constantino, Bob Caterino, Joe Larkin, John Hazer, Art Aulenback, Dave Wright, Henry Eagan, Norman Hewey, Dan Daley, Andre Langueard, Bob Harmon, Harold Shervington, Charles Pigott, Edward Curtis, Jack Goss, Joseph Herlihy, Phil McDonald, Dennis Briland, Bill Robinson, Paul Broughton, Dan Hurley, Bill Nickerson, Bob Gray, Paul Leary, Ken Dempsy, John Cassidy, Dick McLaughlin, John Lafferty, Warren McAdoo, Luke O'Halloran, John Smith, Billy Jones, Bill Drinan, Ronald Sousa and Billy Bowen.

Red and Gray Jottings

by Adele Dengeleski

It has been almost two weeks since we have been back to school and a great many things have happened.

Report cards were given out Friday and that made the decision for the week-end. If it was good, the week-end was filled with fun, but if the card was otherwise, there were consequences to pay.

Tuesday, open house, was held at the high school from 2:00 to 3:30 so that the parents could consult the teachers and get any advice concerning their son or daughter. The Student Council acted as ushers.

There was an assembly held for the sophomores on Friday, concerning the Eskimos. The students really enjoyed it.

A group of girls from Arlington High, under the sponsorship of Sargent College, are planning to take a week-end trip to Peterborough, N. H. There they will fill their time with skiing, skating and just having a lot of fun in the fresh air.

The hockey team came out successfully with a 2-0 defeat over Cambridge Latin. Goals are credited to Bob Babine and Captain Bill Meehan.

The Girls' Basketball Team is eagerly awaiting their first game

which is scheduled for January 17. The Captain of the team will be elected after the first game.

The Arlington High School presentation of the amusing comedy, "You Can't Take It With You" will be on "January 21 at the Robbins Memorial Town Hall. To insure yourself an opportunity for a fine evening's entertainment, purchase your ticket early.

Congratulations to Alfred Tartini, first string guard, who was recently elected captain of next year's football team.

INTRODUCING MARY DUFFY
Mary Duffy, who was recently voted the wittiest girl in the junior class, truly lives up to her name. She always has a smile on her face and, besides having a wonderful sense of humor she has personality plus. This term she made the highest honor roll, due to long, devoted study. Mary also finds time to be a member of the G. A. A. and Dramatic Club. She was on the field hockey team and is now playing on the basketball team. Week-ends Mary works at the Symmes Hospital and is always cheering up the patients with her likable and humorous way. Ping-pong is her favorite outside activity and she also finds enjoyment in bowling, ice skating and swimming. When Mary graduates, she hopes to go to Simmons College where she will train to be a nurse.

Babine Stars As Red & Gray Wins

Little Bobby Babine scored his fourth goal of the season and Bill Meehan his first against Cambridge Latin last Saturday, and those two goals evened Arlington's hockey fortunes in the win and loss column at two apiece as the Cantabs bowed 2-0.

Babine was the best man on the ice in the shutout win and his fast rushes were turned back only by Richie Heavens' great goal-tending in the Latin cage.

Arlington's goalie Russell also tended in several sparkling saves, and on the whole, Arlington showed enough improvement over previous games to make its remaining opponents beware. The Red and Gray will be hard to beat from here in.

In the first period, Babine tipped a long Will Dickson shot into the Latin nets and that was enough for victory. But an insurance goal was given by Cambridge in the middle frame when a Meehan shot bounced off a Latin defenseman and by Heavens, who never saw the puck before it hit the corner of the cage.

The summary:
ARLINGTON 2, CAMB. LATIN 0
ARLINGTON—Russell, g.; Dickson, rd.; Kiley, ld.; Babine, c.; Kenney, rw.; Doherty, lw.
CAMB. LATIN—Heavens, g.; McAdoo, rd.; Boudreau, ld.; R. Kelly, c.; Kilfoyle, rw.; McCarthy, lw.
Arlington Spares—Wymann, Cooney, Meehan, O'Brien.
Latin Spares—P. O'Connor, Murphy, Daley, J. Kelly, E. O'Connor.
Score by periods 1 2 3 Total
Arlington 2 0 0 2
First Period—Babine (Dickson), Doherty 7:20. Second Period—Meehan (Cooney) 14:45. Third Period—No scoring.

The Arlington high basketball team opened its season last week and split in two games, winning from Woburn 46-37 and losing to Brookline 52-36.

Playing at Woburn, the Red and Gray attack started strongly, and left little doubt as to which team would win. Forward Shirley led the scoring with 11 points, closely followed by guard Floyd who counted 9 and forward Stephens with 8.

SPY PONDERERS IN UPSET DEFEAT ON BOARDS TO SOMERVILLE, 42-35

In a surprise upset, the Arlington high track team bowed to Somerville, 42-35, at the East Newton St. Armory last Saturday, which marked the first defeat for Arlington since the formation of the Metropolitan track league last winter.

Arlington registered four wins but could not place and show enough runners to remain in the unbeaten class. The winners were: Bill Kenely in the 300; Robert Stevens in the 1000 with the Division 1 record equalling time of 2:34.3; Ronald Wilson in the mile, and Fred Collier in the high jump. All these boys scored first in their specialty last week as well, and Fred Collier was nipped at the tape in the high hurdles by Somerville's De Vaux to miss by a whisker being a double winner two weeks in a row.

University Theatre

"Chicago Deadline," starring Alan Ladd and Donna Reed, which starts Sunday at the University Theatre, is an exciting blend of mystery and romance with more than its quota of thrill-packed action. A staccato-paced story of a racket-busting newspaper reporter who has fighting blood as well as printer's ink in his veins, the film never falters as it moves to a breathtaking suspenseful climax.

Valentine Banquet

The Annual Valentine banquet on February 14, which is sponsored annually by the Men's Class and the Women's Fellowship of the First Baptist Church, was the main topic of discussion at a board meeting of the Class, held Monday evening at the home of the secretary, Charles Dorr, 108 Ronald road. Present were the Rev. Nathan Wood, Harry Thompson, Herb Alderson, Ray Farrar, Wally Gorton, Dick Churchill, Al Brown, Clarence Cowler, Syd Bowdige, Ralph Hunt, John Ivester, George Miller, Bill Rule, Ralph Brown, Nils Allen, Harold Magnuson and He Macdonald. David Ashton Sings For Brackett P.T.A.

The regular meeting of the Brackett School Parent-Teacher Association was held in the school auditorium on last Tuesday. Mrs. E. Warren Heaps, second vice president, presided. Dr. Warren Broden from the Massachusetts Memorial Hospital Psychiatric Clinic and Boston University School of Medicine was presented to the meeting by Mrs. Irving T. Lovell, program chairman. Dr. Warren spoke on the subject of meeting the emotional needs of children and what makes our neighbors do "such queer things." His talk was preceded by a movie on the subject and followed by a question and answer period. Both the speaker and film were provided by the Massachusetts Society for Mental Hygiene.

David Ashton of Appleton st., a member of the Faculty at Boston University and tenor soloist at the First Parish Church, Lexington and Temple Emanuel Newton, sang three selections. He was accompanied by Mrs. Robert Nelson. Refreshments were served by the fourth grade mothers under the direction of Mrs. Joseph Warren and Mrs. A. D. Dalrymple.

Some Carfel!

This cane, which hung in the window during Christmas at Hutchinson's Candy Store, 791 Massachusetts Ave., Arlington, was won by Miss Mary Fahey, 6 Ramsdell Court. Some 1100 persons guessed on its weight. Miss Fahey's guess was 14 1/2 pounds. The cane weighed 14 pounds, 9 ounces.

Small Fry Day At Boys' Club

Next Saturday morning at 10:00 a.m. the members of the Boys' Club will personally escort their little sisters and brothers to the clubhouse for a very special affair.

In answer to many requests from members and their parents, the club staff and several group leaders have planned an interesting program for the large number of kid sisters and kid brothers who can not belong to the Boys' Club because of restrictions of age or sex.

Director Jim Sumner announced that the program for the Small Fry would include several amateur vaudeville acts by talent from the Group Clubs, a first class puppet show, with Bob Munnstedt Radio and Television performer handling the puppets, and a group of selected cartoons loaned to the club for the occasion by Edward Mulcahy of Arlington Heights.

Volunteer leaders are Miss Joanne Babine and Mrs. James H. Sumner who will join with staff members Austin "Pop" Welch, Jimmy Kenealy, Jerry Denman and Paul "Dinny" Shea in handling an expected large crowd. Group Club officers will serve as ushers in the auditorium.

Other attending the meeting were Mrs. Spence and Miss Jean Norton.

A social hour followed the business meeting. Prize winners met on Friday, January 4, were Rev. Robert Rice, high at the 441 Mystic street, lady; Miss Jean Norton, consolation prize.

Co-hostesses were Mrs. Robert Rice, Mrs. Nelson Berry, Miss Lois Mead and Robert Needham.

Private Bowers Gets "Hot Seat"

STUTTGART, Germany (Dec. 29)—Pfc. Clifford Bowers of Arlington, returning recently from a short trip to Berchtesgaden, Germany, reported that he was the victim of a "hot seat."

Bowers during his short visit to Berchtesgaden said he was most impressed by the ancient salt mines which date back about 405 years. It was here that he received the "hot seat."

The story goes something like this. Within the salt mines wooden sliding boards are provided for quick and economic transportation down to the inner regions, the slides average 100 feet in length.

Upon entering the salt mines, Bowers was given a leather apron (which was not to be worn in the conventional manner) to use when sliding from level to level.

The apron proved ineffectual. Berchtesgaden is a village situated in a picturesque and much visited region, about 12 miles south of Salzburg, on the Achen, a stream which issues from the beautiful lake called Koenigssee. Hitler's famous mountain retreat, the Eagles Nest, overlooks the village.

Paintings Exhibited By Local Artists

Oil paintings by two Arlington artists will be included in the nineteenth annual exhibition of the Boston Society of Independent Artists. Frances S. Butler of Cheviot road will exhibit a painting called "Bear Skin Neck, Rockport, Mass.," while Mrs. Paul G. Hinchcliffe, 21 Robbin Hood road will exhibit "Sundown on the Pacific." The exhibition will be held in the galleries of the Paine Furniture Company, 81 Arlington street, Boston, from January 9 through January 28.

Both of these artists have studied with Mr. Joseph De Guisto of Boston as well as with prominent artists in other parts of the country.

Gold Star Chapter Instituted Here

Arlington Chapter No. 31, American Gold Star Mothers, Inc., was instituted last Thursday evening at the V.F.W. Hall by Mrs. Ethel Vinal of Everett, state department president. Sixteen charter members constitute the local chapter.

The new officers were installed by Mrs. Katherine Kelly of Cambridge, national vice president.

The following officers were installed: Anna Highland, president; Mildred Parkins, First Vice Pres.; Mary Griffith, Second Vice Pres.; Helen Broughton, Treasurer; Claude Langley, Chaplain; Abbie McGill, Sgt.-at-Arms; Mary Downing, Ellen Murphy; Color Bearers large flag; Mary Ranagan, Banner Bearer; Margaret Theis, Musician; Josephine Ahern, Custodian of Records; Catherine Giarazzo, Executive Committee.

The invited guests were George Bonney, Commander of the American Legion; William E. Batchelor, Commander V.F.W.; Mrs. Ursula Gallarini, president V.F.W. Auxiliary; Michael Micone, past commander D. A. V.; William Craig, commander Marine Corps League; Joseph Peterson, chairman board of selectmen; Edith Nourse Rogers, Congresswoman.

President Highland was presented with a corsage by her daughter, Mrs. Margaret Lax, also money from the South Boston and Everett Chapters; handkerchief from Watertown Gold Star Mothers.

The chapter received gifts of a large American flag and a Gold Star Flag from the American Legion, V.F.W., D.A.V., and the Marine Corps League. Other gifts included two small flags from Mildred Parkins and Gertrude Langley in memory of their sons, an altar cloth and Bible from Anna Harrison and Margaret Theis in memory of their sons and a white cable from the V.F.W. Auxiliary.

Entertainment and refreshments, served by the V.F.W. Auxiliary, concluded the inspiring program.

Returns, Even Late, Asked on Seals

"It's not too late to make returns for Christmas Seals! Won't you take a moment and check on those we sent you last November?" This is the brief but important message that was sent to many local residents by Mrs. John A. Bishop, 655 Massachusetts avenue, treasurer of the Arlington Tuberculosis Committee recently.

Although the 1949 holiday season is now over, the funds raised by the sale of Christmas Seals each year finance a twelve-month program of tuberculosis prevention and control. Therefore, the contributions that are made to this worthwhile program during the month of January are as gratefully received by your local Tuberculosis organization as were those made before Christmas.

"We wish to thank all our friends who have already mailed their gifts to us," said Mrs. Bishop. "and we trust that many more people will send us their contributions now, so that our program of tuberculosis prevention will not be curtailed during 1950."

The next meeting of the Arlington Stamp Club will be held at the residence of Miss Cora E. Morse, 31 Park circle, on Monday, January 16, at 8 p. m.

A&P Charges Suit Aimed to Prevent Real Competition

The Great Atlantic & Pacific Tea Company has charged that the current anti-trust suit against the company is really "a suit against efficiency and against real competition."

The company announced its intention of running a series of advertisements telling about previous suits brought against A&P by the anti-trust lawyers in which the charges were proven to be false.

"In case after case they made charges against A&P which were proven in court to be utterly without foundation," the ad stated.

This week's ad cited one such suit in which it was cleared of anti-trust charges of conspiracy to fix bread prices. Under the caption, "The Washington Bread Case," the decision of Federal Judge Allen T. Goldsborough is quoted:

"If you were to show this record to any experienced trial lawyer in the world, he would tell you there was not any evidence at all. . . . Honestly," he said, "I have never in my forty years' experience tried a case that was as absolutely devoid of evidence as this. This is the honest truth. I have never seen one like it."

The fact is crystal clear, the food chain points out, that while the anti-trust lawyers constantly protest that they are not against "bigness," they only brought their bread suit against the big companies that sold bread at the lowest prices, just as the current suit attacks a big company that sells food cheap.

"The real question involved in

this suit is whether businessmen are going to be encouraged to do a better and more efficient job; or whether we are going to let the anti-trust lawyers in Washington blow the whistle on anybody who gets big by giving the people the most for their money."

Explains Campaign
The food chain points out that it was forced to carry out its present newspaper campaign to protect its business against the charges which the anti-trust lawyers were making in press releases, in speeches and on the radio.

"Charges," says A&P, "that would seriously damage our business, if they were believed by the public."

Pointing out that many of A&P's patrons "would not want to deal with the kind of people that the anti-trust lawyers represent to us to be," the ad states that the anti-trust lawyers "have been wrong before," and "in this case we know they are wrong."

"We think," the company states, "that we have a right to protect this 90-year-old business which has made it possible for millions of American families to get more and better food for their money, which is providing high-wage employment for 110,000 Americans, and which is helping millions of farmers to improve the methods of distributing their produce."

"The anti-trust lawyers tell the public they won a previous anti-trust suit against us at Danville, Illinois. They did. What they do not tell you is that they brought case after case against the A&P in federal courts all over the United States. Before they won this case they suffered three defeats."

In conclusion the ad states the company will tell about the other

Sheet Tips "My, they look nice!" That's what many women will say about the linens in the January White Sales. But will they know how to tell a good sheet, for instance, from a bad one? Some will, according to the American Institute of Laundering, research and educational center for the laundry industry, but for those who won't they offer the following tips: Hold the bargain sheet up to the light. The vertical and horizontal threads should be of the same thickness—evenly woven—in straight lines down and across. The yarn itself should be even and not thick and thin in spots. And do look out for weak spots, knots, and slubs. They wear out first. Steer clear of excess sizing. Test a new sheet by rubbing it together over a dark surface. If a powdery substance filters out, the sheet is over-sized to cover up loose weaving. Heavily sized sheets will be sleazy and loosely woven after the first laundering. Adventures In Correspondence

INDIA (13) Aug. 4th:—This letter will no doubt be a surprise to you. A friend of mine out here gave me your address. This letter hails from Mysore, which is a native state in south India. It is ruled by a Maharaja. It is a very pleasant and interesting place and is full of historical relics in the shape of temples, old fortresses etc.

The city is very nicely planned and you'll be glad to learn that we are to a great extent indebted to American engineers for our lighting system and water supply. The people are Hindus for the most part, and there are some Mohammedans, Christians and Jews also. The language of this place is Kannada, which is a corrupt form of the Sanskrit. Besides this people speak Tamil, Telugu, and Hindustani also.

About 40% of the people are educated. Most of the people however are farmers or coolies. We have a university of our own which was started just seven years ago. It is run on modern lines and all of the professors are men who have been trained either in Europe or America. Particular stress is laid on oriental studies, and almost every oriental language is taught here. In addition students may learn history, economics, politics, psychology, physics, chemistry, botany, zoology, mathematics and any such subject. The University is aided by the government and His Highness the Maharaja of Mysore is also our Chancellor.

We have not got many Europeans or Americans here, but there are a good number at Bangalore, which is the commercial center of the state. There are several Europeans and Americans who do business here, and as there is no prohibition they do a roaring trade by running breweries and liquor shops. There are a good number of cinema theatres.

The most popular cars are Ford, Overland, Buick, Chevrolet and Studebaker. In fact you'll be surprised to note how much of America we have here, although we are so far away. Baring cock-tails, chewing gum and electric-lifts, I think we can get almost any American luxury here.

As for the people I am afraid you'll find them rather peculiar, modes of dress vary from man to man. The Mohammedans for instance are clad in loose white pajamas, a fancy colored waistcoat, a long coat reaching down to the knees and a fez-cap. The Brahmin is the most under-dressed person you can imagine. He wears a dhoti, which is nothing but a length of about nine yards of white muslin, wound around him from the waste downward in a peculiar way. He does not wear a shirt unless he cares to, and collars are for the most part, unwelcome to him. On his head he wears a big turban indicating his rank. He throws a cashmere shawl gracefully over his shoulders and with this, a pair of sandals and an umbrella, his outfit is complete. The "Grillette" has no charms for him and he will not shave oftener than once a fortnight.

The Brahmin is supposed to occupy the highest rung of the social ladder, and claims to have descended from the mouth of the God Brahma himself. He marries before his girl is 14, and if he dies first, then his widow has to shave her head, wear a red sari and go about praying and fasting for the rest of her life.

As for the villagers they wear only a dirty loin cloth, an old worn out rag of a coat or shirt and a rude blanket of homespun. Their turban is a very adaptable and accomodating article and they use it for all sorts of purposes, as a pillow when they happen to have a snooze under a tree, and as a towel if they happen to have a bath in a public tank, as a rain coat if it rains or if they go into the shandy or market they bring home their purchases in their turban. He eats cakes baked of a certain grain called ragi and the only side dish he cares for is a fried onion or a couple of chillies squeezed into some tamarind juice. When he falls ill he drinks himself dizzy and becomes well. I hope to go to America after I get my degree in Experimental Psychology and mean to go either to Colombia or Baltimore to continue my studies. I hope you will reply early and will be looking forward to hearing from you. Cheerio!—G.

Committee Publishes Chart On Changes As Part Of Its Educational Program

THE CHART

on this page is submitted by the Committee on Changes in Town Government which feels that, in this form, the proposed set-up will be clarified.

The Committee also submits the following questions and answers as a supplement to last week's publication:

Q. If the proposal for change in town government is favorably acted upon when do the changes take effect?

A. At the annual election next year, March 1951.

Q. How does the change actually take place?

A. There would be no election for Board of Public Works. There will be two Selectmen whose terms do not expire in March 1951. These two men would continue in office until the expiration of their terms. At the March 1951 town election three new Selectmen must be chosen. One will be elected for one year, one for two years and one for three years. Thereafter a Selectman's term is for the usual three years.

Q. Why is a Board of Five Selectmen recommended?

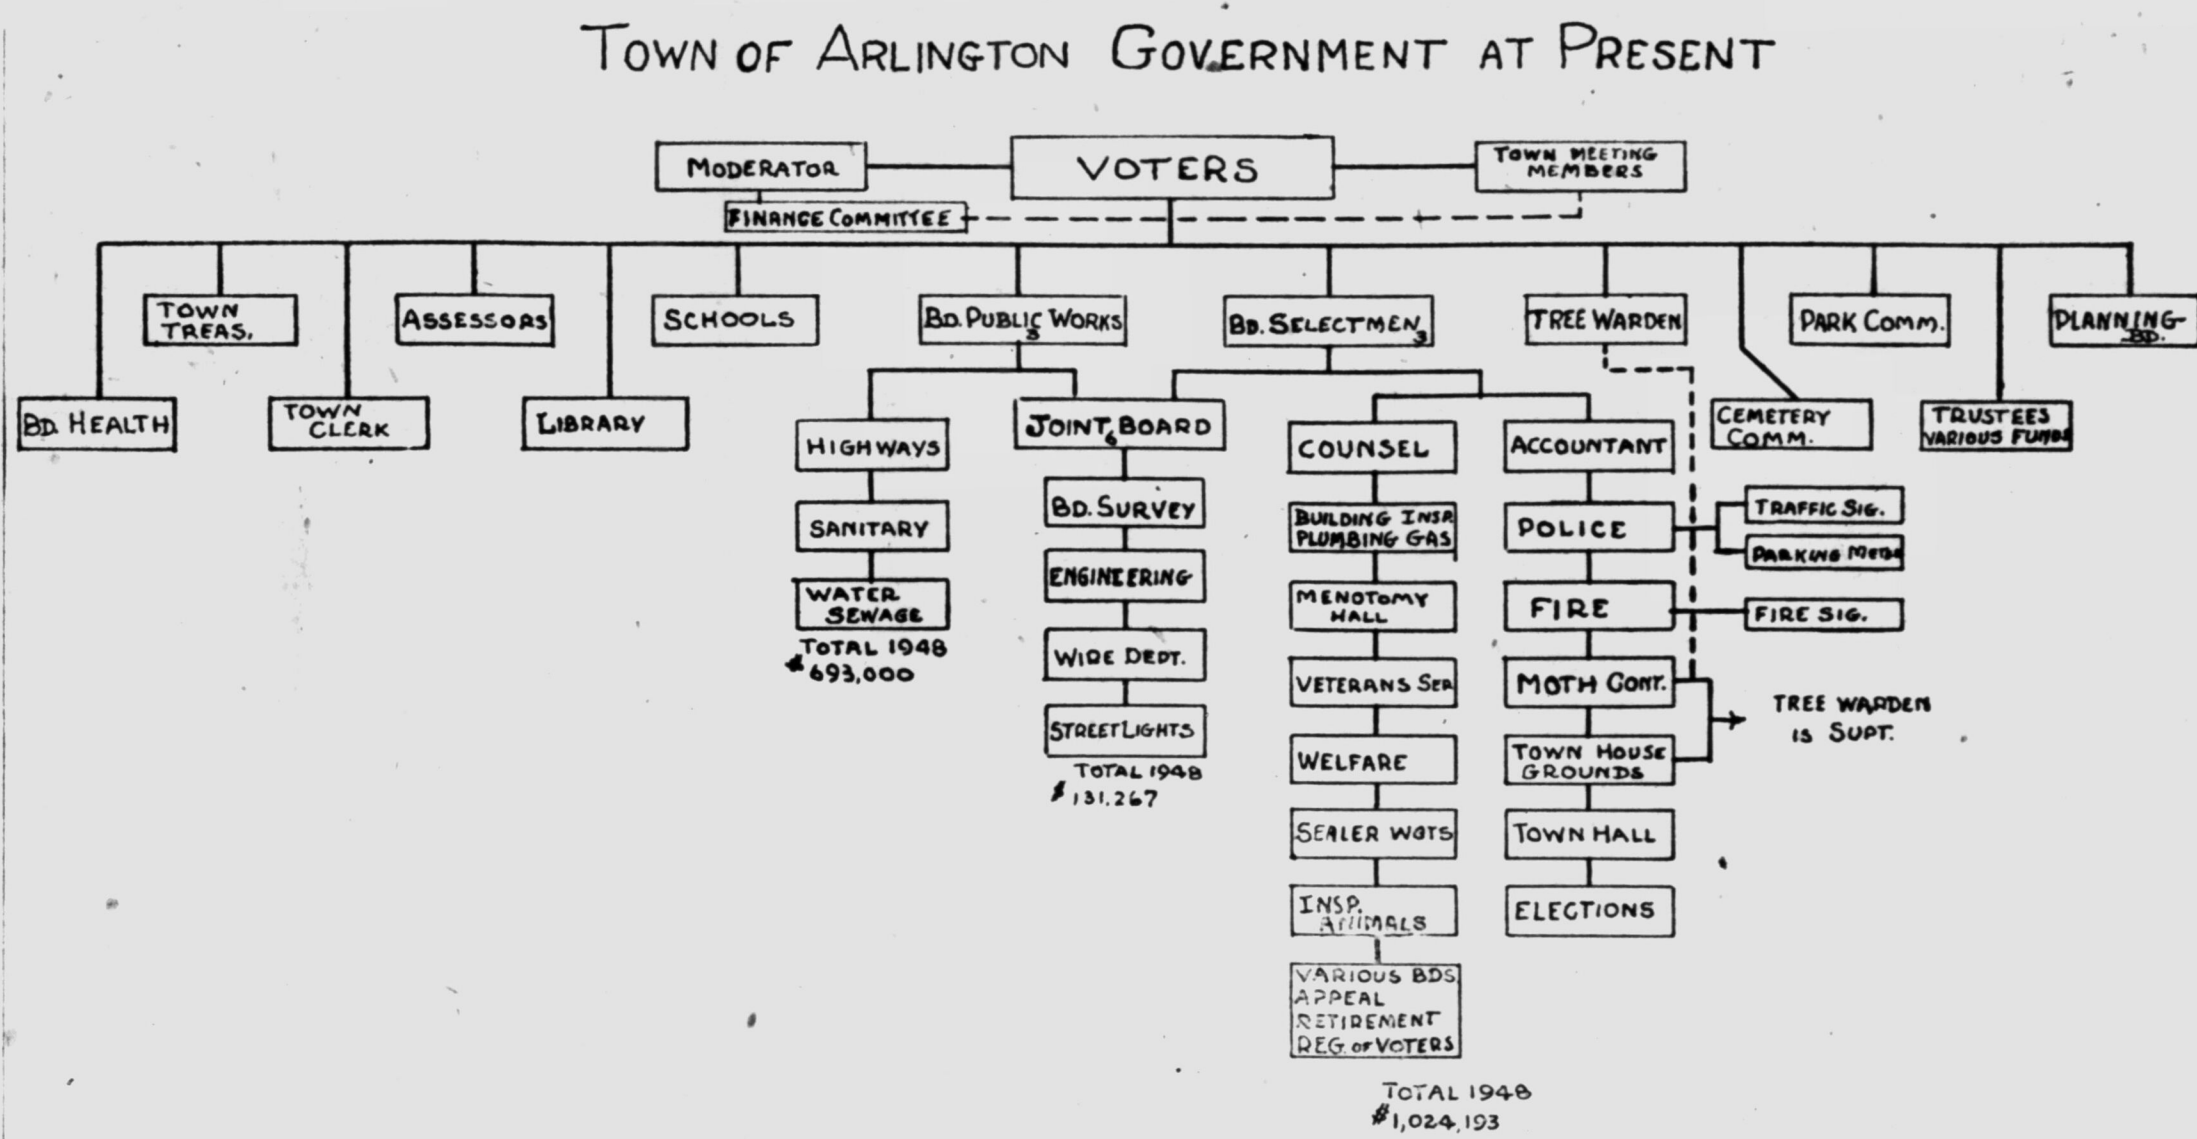

A. 1. Five men reflect the will of a 46,000 population better than three.
2. To apportion the work more equitably.

Q. Can this Executive Officer make appointments to any office?

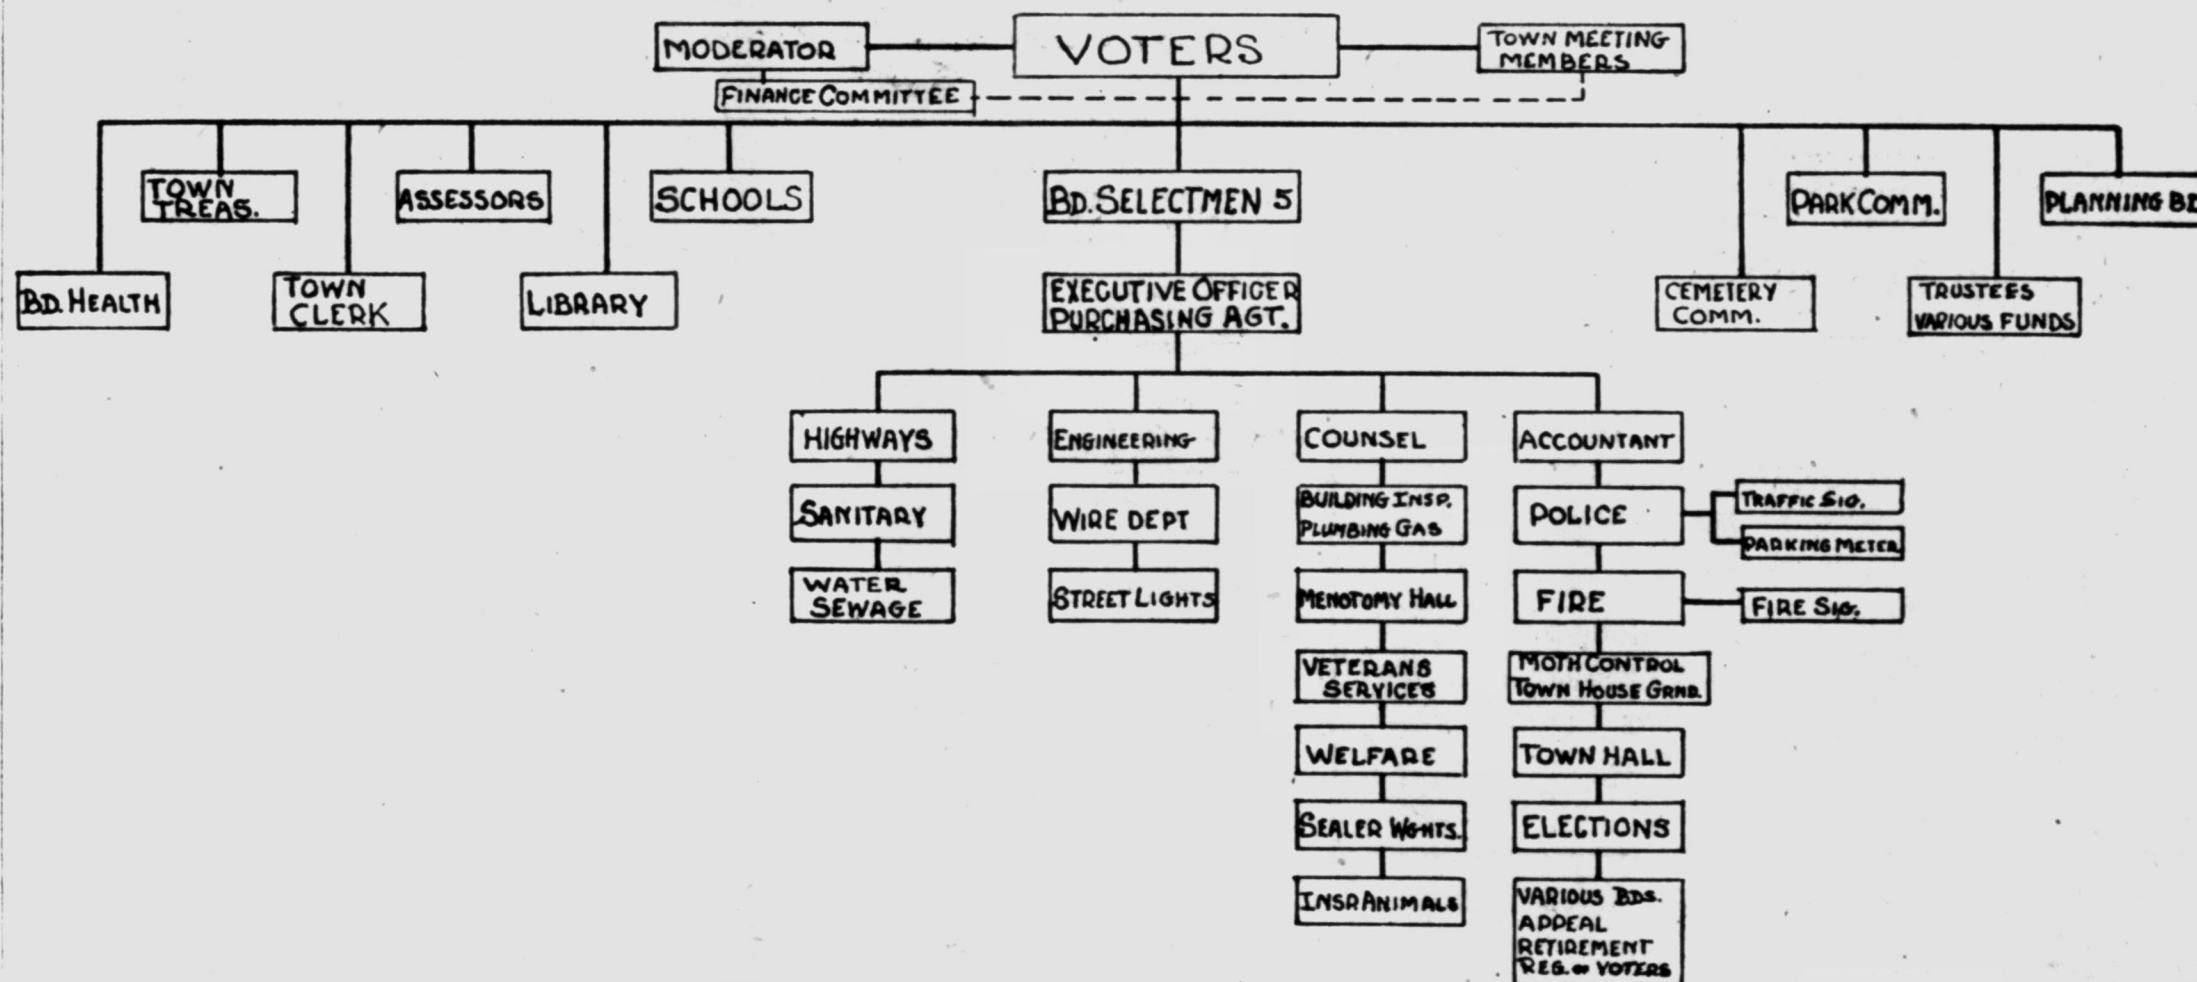

A. None whatever. He can recommend only, which incidentally any interested citizen can do.

Q. What exact power would an Executive Officer have outside of purchasing?

A. He would have only the powers granted him by the Board of Selectmen. They could give him a lot of authority or little authority. The proposed change is supposed to give the Board of Selectmen a daytime general manager. There will still be plenty of nighttime work for the Selectmen.
